SCORE WITH YOUR IDEA...

The Turriff Group value the experience their employees have gained through working with our customers and other employees, and acknowledge that they are in the unique position to view how their jobs and our procedures could be carried out more effectively or efficiently.

We wish to give you the opportunity of further participation in the business by encouraging you to submit worthwhile suggestions. We would welcome your suggestions and innovative solutions for how our services and working practices could be more effective/efficient in all areas of operations and help to improve the working lives of staff.

State your suggestion below.

YOUR DETAILS:

Name: _____ Job Title: _____ Location: _____ Contact Phone No: _____

DETAILS OF YOUR IDEA:

What is the proposed improvement? What are the benefits?

(e.g. health & safety, finance, people, environment, time, technology, procedures, customers/suppliers.)
